STEFANIE GILLETT
SIGNAL HILL PETROLEUM
Stefanie is the Public Relations Manager in the Community Relations Department at Signal Hill Petroleum, Inc.

As the company's community liaison, Stefanie is committed to fostering an open rapport and mutual support between Signal Hill Petroleum and its neighbors. She works closely with members of the community on a daily basis, cultivating meaningful partnerships with local businesses, residents and organizations to further the company's education and outreach efforts.

In addition to community relations, Stefanie also manages the company's public relations and governmental affairs. Stefanie is responsible for management and development of all SHP's marketing material, media inquiries, presentations and tours. Handling all organizational communications, her role is vital in the creation and delivery of news and other information, both internally and externally.

Originally in customer service and sales, Stefanie first found her passion for public relations as the Residential Coordinator for the DLB Associates, where she was responsible for all stakeholder outreach. There, she was able to address residents' concerns and enhance the image of the DLBA by building lasting relationships based on transparency and trust.

Stefanie earned her BA in communication from CSULB with an emphasis in business and organizational communication. She was raised in the Lakewood/Long Beach area and enjoys giving back to her community. She is currently President of the LB Area Chamber of Commerce's Young Professional Group, Vice President of the Signal Hill Community Foundation, and is a member of the Red Shoe Society for the Ronald McDonald House.

Signal Hill Petroleum is a privately owned California-based energy company that specializes in the exploration and production of crude oil and natural gas in urban areas. With a set of core values rooted in a transparent business philosophy, honest approach, and concern for the environment, the company strives to be an excellent neighbor and community partner.

The company's website (www.shpi.net) contains more information.
