**BRIAN JERSKY,
PROVOST
CSULB VILLAGE**

January 4, 2016
CSULB will have a new leader of its academic programs July 1st as the university selected Brian Jerksy as Provost and Senior Vice President for Academic Affairs.

The provost serves as the university's second-in-command administrator and senior academic official.

"Dr. Brian Jerksy has impeccable academic credentials and a deep commitment to student success. I am excited he will be our next provost," said President Jane Close Conoley. "I'm confident Dr. Jerksy will advance our university by developing innovative ways to encourage and support faculty and students in their aspirations for excellence."

"It is an incredible honor to have been selected as provost at a university as prestigious as Cal State Long Beach," said Jerksy. "The university has a long history of success in its mission to educate a richly diverse population of students. I look forward to working with the faculty and my new colleagues in the administration to help continue to improve student outcomes and assist the university in fulfilling that mission. I'd like to see Long Beach achieving a transformative education for all the outstanding students who come to us, for the benefit of the many communities we serve."

Jerksy joins CSULB after spending four years as dean of Cal Poly Pomona's College of Science. He previously was a senior lecturer in the Statistics Department at Macquarie University in Sydney, Australia, and dean of the School of Science at Saint Mary's College of California. Jerksy spent 15 years at Sonoma State University serving in a variety of capacities including assistant professor of mathematics, chair of mathematics and director of Academic Planning and Resources in the School of Science and Technology.

**NANCY VOILS
COD**

Nancy Voils is a Long Beach girl. She feels very lucky to have participated in the heyday of the Fred Ohlendorf music program from elementary through Millikan High School.

While at CSULB she earned the necessary credentials and Masters degrees to teach in the Los Angeles School District. Every teaching year was an interesting experience: She was The Travelling Music Resource Specialist, taught grades 2 through 6 in the classroom, and finally became the Teacher Librarian during the transition from using the card catalog to the online computer system. Now retired she enjoys volunteering in the LB community. At CSULB she is a docent for the unique on campus University Art Museum for both the inside and outside art exhibits.

At Rancho Los Cerritos she leads tours through the historic adobe and gardens, and in costume portrays Avis Bixby of the 1930s. She also enjoys working with the Historical Society of Long Beach, especially for their annual Cemetery Tour. And today Nancy is the COD for the Downtown Long Beach Lions Club meeting!

RETROSPECTIVE, SEPTEMBER 15, 2017

Petroleum Club, JERRY CALIGIURI presiding. Invocation: CHARLIE QUAIFE. Song/salute: PP MARILYN RUSSELL BITTLE. Piano: ROB NICHOLS. Announcements: JERRY intro'd guests Alejandro Sanchez-Lopez (Tom Modica), Gordana Kajer (PP MEL CUTTER) and Alice SEXTON (DARRYL). PCC ROGER POWELL reminded all of the details of the JACK MACDONALD DAY AT THE RACES. Thirty-three people have signed up. PP GARTH PHILLIPS invited all to the visitation Sep. 27 at Bellflower Noon at the Bellflower Moose Lodge at noon. We need at least five people. BARB HALLER has chatted with Pat FRANKLIN. Pat indicated FELIX may have Alzheimer's or dementia. Medications have not been effective due to side effects. He appreciates cards, notes and emails and says he will be at a meeting one day. SAM KELLY said DONNA is resting comfortably and expects to return next week. She hopes to attend Day at the Races (she did). CLAUDIA HARDEN announced Halloween on Oct. 27. There will be fines (1cent) for all who decline to participate. PP LINDA WEINGARTNER announced that the COA stamping project has been delayed. PDG JUDITH OLMSTED POWELL thanked LINDA for a project compatible with our ages and motto: We

Serve. PP GENE JOHNSON encouraged participation in the Lions Sight and Hearing Foundation celebration at the Grand at noon on Sep. 23. Its free! Tail Twister JUDY POWELL asked for all who have kept marbles to please return them. Undaunted she ran another game, won by herself, Alice and PP ED BARWICK. The payout was \$12 each. She also extracted Happy Bucks from herself (Illinois won); GARTH (USC won); PP YOURS TRULY (8th wedding anniversary); CHARLIE (niece visiting); MEL (the Belmont Pool project was in the papers and he was NOT quoted); MARILYN (daughter running in a triathlon this weekend); JUDY (again, her letter to the editor re contributing via LCIF vs others was published); PE VAL LECH (pleasure to serve at the Compton Standdown). The 50/50, run by SAM, was won by YOURS TRULY. COD VAL had fun and raised money with questions about the new Belmont Aquatics facility and its predecessor. He then intro'd Assistant City Manager Tom Modica who outlined where the project stands, some of what must happen to make it happen and the possibility of enhanced private funding. Ultimately, all decisions will be made by the Coastal Commission.

CSULB VILLAGE

(see page 1)
 From LB Post.
 Plans to house over 1,000 CSULB students and faculty in the city's downtown area through a proposed mixed-use complex, that will also include classrooms, labs and a museum, were announced today by Mayor Robert Garcia during a presentation on new developments taking place throughout the city.

Proposed CSULB Village, located between Promenade North and Long Beach Boulevard, from 4th and 5th streets in the former City Place site, is a 22-story, 352-700-square-foot project that will include housing for students with 800 beds and faculty and staff with 50 units; 16 meeting rooms, a 5,000-square-foot Innovation Incubator, 10,000-square-foot CSULB Art Gallery and Museum and 45,000-square-foot ground-floor retail, according to Shooshani Developers.

"We feel like the university and the city share so many things in addition to our mayor," CSULB President Jane Close Conoley told attendees. "Commitment to innovation, to diversity, to entrepreneurship, to cultural, exciting events made available. We are so excited to work with you to envision a project that not only brings students, but also faculty and staff, downtown."

Garcia said the move to bring junior, senior and graduate students from the university's Masters in Fine Arts program along with faculty will help activate the downtown core.
